

2020 3-year Master's Programs in Central South University

School	Major	Research Field	Teaching Language	Note	
School of Materials Science and Engineering	Materials and chemicals		Chinese	Practice-oriented degree	
	Material Science and Engineering	Material Physics and Chemistry	Chinese		
		Material Science	Chinese		
		Material Processing Engineering	Chinese		
		Advanced Inorganic Material Science and Engineering	Chinese		
		Nano New Energy and Electronic Information Material	Chinese		
	Computational Material Science and Virtual Engineering	Chinese			
School of Geosciences and Info-physics	Surveying and Mapping Engineering	Surveying and Mapping Engineering	Chinese\English		
	Geological Engineering	Geological Engineering	Chinese\English		
	Land Resources Management	Land Resources Management	Chinese\English		
	Science and Technology of Surveying and Mapping	Geodesy and Survey Engineering		Chinese\English	
		Photogrammetry and Remote Sensing		Chinese\English	
		Cartography and Geographic Information Engineering		Chinese\English	
		National Geographic Monitoring		Chinese\English	
	Geology	Mineralogy, petrology, Mineral Deposit Geology		Chinese\English	
		Geochemistry		Chinese\English	
		Paleontology and Stratigraphy		Chinese\English	
		Structural Geology		Chinese\English	
	Geological Resources and Geological Engineering	Mineral Resource Prospecting and Exploration		Chinese\English	
		Geodetection and Information Technology		Chinese\English	
Geological Engineering			Chinese\English		

1. If some programs have listed their own application requirements in the Note column, applicants shall be qualified before applying.
2. Master's degrees have academic-oriented and practice-oriented ones. Most non-medical related degrees are academic-oriented, and medical-related degrees are practice-oriented. Exceptions will be noted in the Note column.
3. For clinical medicine programs, applicants shall have a bachelor degree of clinical medicine. For pharmacy programs, applicants shall have a bachelor degree of pharmacy.

2020 3-year Master's Programs in Central South University

School	Major	Research Field	Teaching Language	Note
		Remote Sensing of Resources and Environment	Chinese\English	
		Land and Resources Information Engineering	Chinese\English	
		Information Security Engineering	Chinese\English
